COMMUNICATION PURSUANT TO M.P.E.P. §714.24

Dear Sir:

This Communication is submitted in pursuant to MPEP §714.24
amending a typographical error in the Communication In Response
to the May 18, 1992 Office Action which was filed October 19,
1992 in connection with the above-identified application.

Applicants have become aware of a typographical error in the
Communication filed October 19, 1992. The correction requested
is relatively small and can be made without causing the
amendatory matter to be obscure or difficult to follow.

Applicants respectfully request the Examiner to amend the
U.S. Serial No. positioned in the upper right-hand corner of
pages 2-18 of the October 19 Communication. Specifically, the
U.S. Serial No., on pages 2-18 of the Communication as submitted,
was incorrectly printed as 07/505,904. However, page 1 of the
October 19 Communication correctly reflects the U.S. Serial No.
of the subject application as 07/431,533.

COMMUNICATION
Ser. No. 07/431,533

2

Applicants respectfully request deletion of the misprinted U.S. Serial No. 07/505,904, on pages 2-18 and entry of the correct U.S. Serial No. 07/431,533.

No fee is deemed necessary in connection with the filing of this Communication. However, if any fee is required, authorization is hereby given to charge the amount of any such fee to Deposit Account No. 03-0370.

Respectfully submitted,

Antoinette F. Konski
